Our Bluegreen resort portfolio is divided into two categories, but regardless of which category a resort is listed in, we can assure you a friendly staff and an environment perfect for vacation fun. We look forward to seeing you at a Bluegreen resort soon—and often!

## Club Resorts ●

Club Resorts are typically developed and/or managed by Bluegreen Corporation. Although facilities and amenities may differ depending upon resort location, you can be assured of a warm welcome, excellent personal service and charming, comfortable surroundings.

## Club Associate Resorts ●

Club Associate Resorts were not originally developed by Bluegreen, but are included in the resort portfolio to expand the choices available to Bluegreen owners in a variety of attractive vacation destinations. Most Club Associate Resorts have limited availability; therefore we recommend early reservations to increase chances of availability.
